Together we sow supernatural seed to reap an eternal harvest

You know the saying, 'Four months between planting and harvest.' But I say, wake up and look around. The fields are already ripe for harvest. The harvesters are paid good wages, and the fruit they harvest is people brought to eternal life. **What joy awaits** both the planter and the harvester alike! You know the saying, 'One plants and another harvests.' And it's true. I sent you to harvest where you didn't plant; others had already done the work, and now you will get to gather the harvest."

JOHN 4:35-38 NLT
